Design. Develop. Build.

Virginia Builders recognizes that just as no two people are the same, neither are their desired homes. For this reason, we believe that all customers should have the opportunity to tailor their home to meet their needs. We work with the homeowners on various considerations including things like efficiency, stage of life, and style decisions.

Small enough to care. Flexible enough to build anywhere.

We are not a large production builder; which has its perks. By limiting our scale, we are able to obtain detailed customer preferences and access all of the possibilities. This flexibility has aided in our ability to continually meet client expectations. We recognize the importance of trust between builder and client. Simply put, we care.

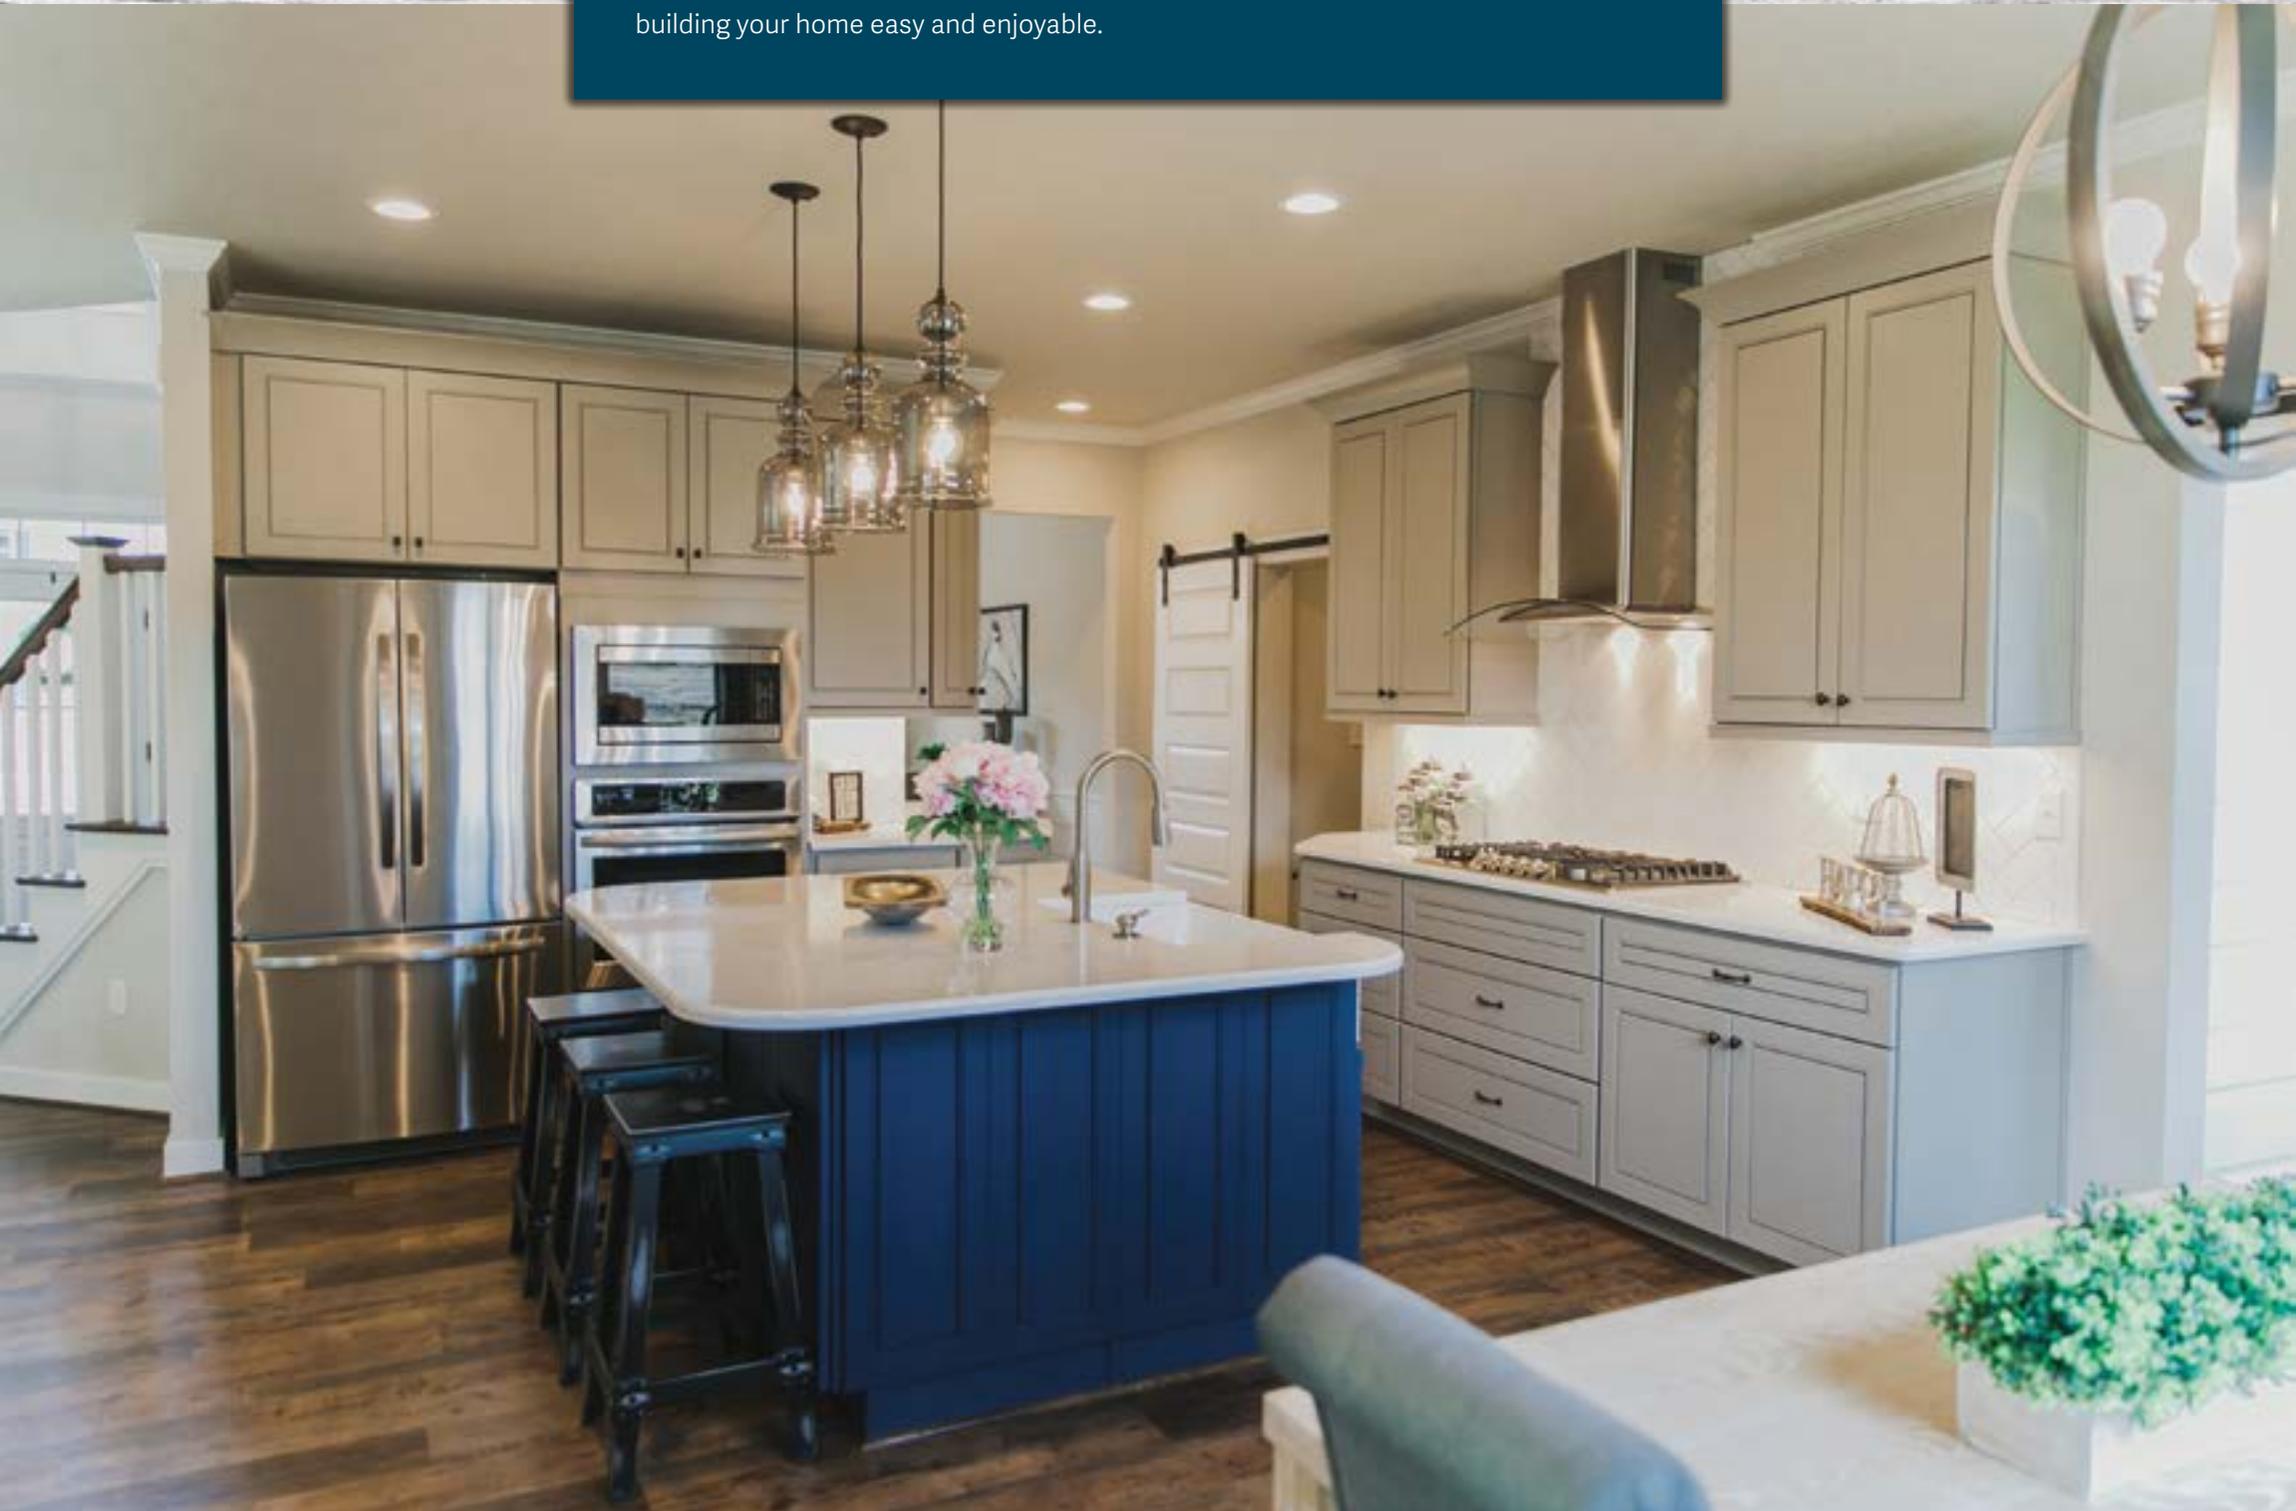

Impeccable homes. One room at a time.

Designed to do more than impress, each room in our homes boasts the ideal combination of function, craftsmanship and luxury. We seamlessly mix modern amenities with timeless style. Our designs emit personality and practicality. Everything just works together. And does so beautifully.

Ethics, hard work and reliability.

No one will work harder for you than Virginia Builders. We bring professionalism to every project and are always available to answer your questions. Honesty and integrity are the foundations of our reputation. Count on us to make the process of building your home easy and enjoyable.

Make it yours. Make it Esprit Decor.

Colors. Styles. Texture. Design. Everything in your home should speak harmoniously and echo the picture in your mind you've always envisioned when planning your dream home. Esprit Decor Flooring is one stop shopping for the major components of your home.

The Navy SEAL Foundation's mission is to provide immediate and ongoing support and assistance to the Naval Special Warfare (NSW) community and its families.

U.S. Navy SEALs have been in sustained combat for over 17 years, performing hazardous work in unforgiving environments at an unrelenting pace. SEALs are currently deployed in over 30+ countries across the globe and can spend up to 270 days each year in harm's way. The Navy SEAL Foundation stands behind these warriors and their families by providing a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate families and provide critical support during times of illness, injury or loss.

Since 2000, the Navy SEAL Foundation has provided tens of millions of dollars in immediate and ongoing support and assistance to thousands of U.S. Navy SEALs, Special Warfare Combatant Craft crewmen (SWCC's), mission specialists, NSW spouses, dependent family members, and our Gold Star and Surviving Family members.
